**In the marriage record of his daughter Anna to Johann Weis, of Pirmasens, he is called Nicholas Frankenberger von Niederanstadt, which is probably the name of some small town near Arnstadt in Schwartzburg-Sonderhausen, one of the oldest towns in Thuringia, Germany.
Pirmasens is about ten miles north of the Lorraine border and about forty miles west of the Rhine.
††This record is taken from the little Lutheran church in Pirmasens in which the couple were married, and in which their children were baptised.
